Directions for all

English Gold, now Currant

K in this KINGDOME *the 2*

Aswell for the Payer as Receiuer,
whereby eyther of them by perusall of
Breuiats or Tables in this Booke, may be assu-
red of the true value as the *Gold-smith* or *Mint*
will giue for the same. And what abate-
ments are to be allowed according
to the want of Graines in each
seuerall Piece.

*Exactly Calculated to the number of
Graines wanting.*

Whereunto is Annexed the Weight and Value
of old *English* and *Outlandish* Coyne, to-
gether with seuerall *Prints* of the parti-
cular *English* Weights now in Vse.

*Also two Tables for Valuing of Gold and
Siluer of any Finesse; not heretofore
published. Most necessary for all.*

Printed at London by N. O. for Benjamin Fisher,
and are to be sold at his shop in Aldersgate-
streete, at the signe of the Talbot.

To the Reader.

Here hauing beene much
doubt made (occasioning
much difficulty, delay, and diffe-
rences in Payments of Money)
whether the Vneuen Peeces of
Golde, viz. XXII. Shillings
pieces, &c. Were Currant with
such Allowances of Graynes, as
heretofore, before the last Procla-
mation. To cleare such scruples,
and declare the seuerall writs of
all vncurrant Coyne exceeding
the Remedies. To the end: All
may know, what such lig'tned
A 3 pieces

TO the Reader,

pieces will truly make ; whereby
they may bee much eased.

I have calculated the Prices
of the game, and what it will
make by way of Exchange, for
the Ease and Direction of all men
that have occasion to deliver
or Receyue the game.

Perfect

Perfect Directions for all
English Gold, now Currant
in this Kingdome,

VWhereas, By his Late
Maiesties Proclama-
tion made for suppressing
of light Gold, amongst
other things and Reasons
thereof (therein more
largely expressed) it is
contayned in these words,
Viz,

AND therefore, VVee
doe heereby straightly
Charge and forbid,
vppon payne of Con-
tempt, and incurring
our High displeasure: That no per-
son or Persons, from and after *mid-*
summer next comming, in any Coun-
ty of our Realme, doe presume to
take, receiue, or deliuer in payment,
any *Peece* of our *Gold Coyne* (and
formerly by Vs advanced at the
rates afore-sayd, being clipped, wa-
shed, or any other way unlawfully
diminished, or lacking of his iust
weight thereof: otherwise, then ac-
cording to the Rates hereafter seue-
rally expresse. And with the Al-
lowance formerly set downe in our
former Proclamation, That is to
say,

1. In euery Piece currant for *Thir-*
ty three shillings, the Remedy
shall

an English Gold.

shall not exceede foure Graynes
and a halfe.

2. *Twenty two shillings* peices, shall
not exceed three graynes.

3. *The Sixteene shillings six-pence*
pieces, shall not exceede, two
graines and a halfe.

4. *The Eleuen shillings* pieces, shall
not exceede more then Two
Graines.

5. *The Five shillings six pence*,
piece, shall not exceed one graine.

6. *The Two shillings Nine pence*,
piece shall not exceede halfe a
Graine.

All which Remedies shall be al-
lowed in every Piece accordingly,
and no Deduction or abatement to
bee made for the same, but to passe
as

Perfect directions for

as if it were of full Weight and iust Value. But if any such piece of Coyne lacking of his weight aboue the sayd Remedies, shall from and after *Midsummer* next comming, bee offered in payment by any person or persons, within this our *Realme*: Our will and pleasure then is, that for so many graynes more or lesse as the piece shall bee lighter then the Remedies, so as aforesayd allowed. Euery person or persons, that so Offereth the same in payment, shall also, at the same time pay and allow, after the rate of two pence the grayne to him that receiueth it, for euery grayne wanting aboue the Remedies respectiuely: And euery person or persons, vnto whom the same is offered to bee payd, with these allowances, *shal accept the same in payment*, as if the same were full and iust Weight, any thing contayned in our former Proclamation

an English Gold.

clamation to the contrary notwithstanding. *Provided* alwayes, that if any such piece of Gold so offered in payment, after the time aforesaid, shall want aboue the number of so many more graynes then are allowed, for the remedies respectiuely. (As if the piece of *Twenty and two shillings* shall want more then three graynes aboue the remedy allowed, or the piece of *Eleuen shillings*, more then two graynes aboue the remedy : And so of all the rest respectiuely.) Then our will and pleasure is, that in all payments betwixt party and party, the same shall not onely bee refused without all redemption, but that euery person or persons, to whom such tender of payments be made, shal brand the same, by striking a hole in euery of the sayd pieces so offered in payment, as likewise of any other piece as shalbe found saured or vnlawfully imbasd: rendring

Perfect directions for

Rendering those pieces so stricken
through, then presently after to the
Owners, according as was orde-
red by a Proclamation made by our
deare Sister and late Queene *Eliza-
beth*, in the nine and twentieth
yeare of her Raigne vpon like occa-
sion. *Given, &c.*

By

all English Gold.

By this same Proclamation it is cleere : That every piece not wanting in weight above the remedies declared in the sayd Proclamation, *vi*z.

Euery Piece of

<i>shil. pence.</i>		<i>graines.</i>
XXIII s. 7	} Not wanting above	9. grai.
XXII s.		6. grai.
XVI s. vj. d.		5. grai.
XI s.		4. grai.
V s. vj. d.		2. grai.
II, s. ix. d.	}	1. grai.

Is Currant, and then was and ought to bee accepted in payment, with abatement of Two pence a graine

Perfect directions for
grayne, for every grayne exceeding
the remedy allowed:

Now there is no alteration made
concerning these pieces, by the last
Proclamation, but they doe conti-
nue and remayne in the same state
and Degree, (*Money payable up-
pon the same Allowance or deducti-
on of graynes,*) as they were before
the same. The Wordes of which
last Proclamation, for so much as
concernes the Currancy of Coyne
being, as followeth.

ITEM

all English Gold.

ITEM, to the ende to auoide
and put to Our Coyne of *Golde*
money Currant within this our
Realme, being clipped, washed, or
by any meanes Vnlawfully dimini-
shed, or lacking of the iust weight
thereof, otherwise then according
to the rates heereafter seuerally ex-
pressed. And with the Allowance
of the Remedies set downe in di-
uerse Former Proclamations of
Queene *Elizabeth*, and of our late
Father of blessed memory. That
is to say,

1. In euery piece Currant for
Thirty Shillings, the remedy and
abatement, shall not exceed foure
graynes and a halfe.
2. The *Twenty* Shillings pieces
shall not exceede, three graynes.
3. The

Perfect directions for

3. The *Fifteene-Shillings* piece, shall not exceed two graines and a halfe.
4. The *Tenne-shillings* piece, shall not exceede two graines.
5. The *Fine shillings* piece shal not exceede one graine.
6. The *Two-shillings* sixe-pence piece, the remedy and abatement shall not exceed more then halfe a grayne.

All which Remedies shall bee allowed in euery piece accordingly, the same V Vanting no more, beeing to passe as if it were of full weight and iust value. But if any such piece of Coyne shall lacke of the true Weight thereof aboue the remedies before Expressed. Then
VVe

Wee doe straightly charge and
command, that no person or per-
sons whatsoeuer, shall accept or
offer them in payment, vpon any al-
lowance or defalcation for want
of waight whatsoeuer, but that
the same bee and stand decreed
downe and vncurrent. And that it
shall bee lawfull for any person or
persons whatsoeuer, to whom offer
of payment of any the sayd pieces
lightned as afore-said shall be made,
to brand the same by striking a hole
in euery of the said pieces so offered
in payment, rendring the Pieces so
branded, then presently after
to the owners thereof

againe.

This

THis last Proclamation expressely
and by plaine termes, extends
vnto, and comprehends onely
such pieces, which at the time of
the sayd Proclamation were cur-
rant: for, and at the rates ex-
pressed in the same, *viz.* At
XXX. shillings, XX. shil-
lings, XV. shillings, X. shil-
lings, V. shillings, and II. shil-
lings vj pence.

And therefore, for as much as
all yneuen pieces of *lacobus*,
halfe Quarters, and Eights, were
at the time of the sayd last Pro-
clamation currant for other va-
lues, *viz.* for XXXIII. shil-
lings, XXII. shillings, XV I.
shillings, V. shillings vj. pence,
and II. shillings ix. pence: It is
most cleere, that the same
pieces are not at all comprehen-
ded, or altered by the same last
Pro.

an English gold,

Proclamation; but doe and are now curreant and payable vpon the same allowances and deductions for want of weight, as they were before the publishing of the same: And the rather, for that there were then peices curreant for the values mentioned in the last Proclamation, whereof the same did dispose, leauing the others to be in such degree and state as they were: As also for that, the principall intention might be to preserve vpright his Maiesties euē Coynes (whereof great quantities haue bene coyned) being yet in good state; without much regard being had to the other, for as much as no more of the sayd vncuē coynes are purposed to be coyned.

B 2

AND

Perfect directions for

ANd therefore the tender of such Pieces, vppon allowance and deduction for want of weight agreeable to the former Proclamation, is good, and not confronted by the latter: But ought to bee accepted of vppon all payments of Bonds, Bills of Exchange, and Contracts, and Duties, whatsoever and wheresoeuer: The party refusing such payments, not onely endamaing himselfe by the delay; but incurring the paine of the former Proclamation, by refusall of such moneys as his Maiesty makes currant by his Proclamation, And this agreeth with the generall opinion of Lawyers, and the most vsuall practice of all men.
